

THE LIGHTHOUSE

Seaside Bar + Dining

Although restrictions are being lifted on Monday 19th July, we are conscious that Covid is still prevalent in the community and we want to ensure the safety of our team + customers. This is what life will look like at The Cliff House + The Lighthouse from 19.07.2021. We will continue to review this weekly.

MASKS: When in close contact with customers, our teams will wear a mask. This means when they are taking an order, delivering food + drink to the table or having a conversation within 1 metre inside. You may see them without a mask on, if they are working outside or in an area not close to customers, e.g. setting up tables or making drinks behind the bar.

BAR SERVICE: Our restaurant and terrace will remain full table service, you will be able to order at the inside (and at the Cliff House outside) bar. We do ask that you enjoy your drink away from the bars though please, as we do not want to encourage any congestion or crowding. Bar tables will no longer be able to be booked, and we will move back to first come- first served for these tables. Allowing you to pop out for a spontaneous drink again!

TRACK + TRACE: This is no longer mandatory, so we will not ask you to do it. Our QR code will still be displayed for those who want to.

TABLE SIZE: Whilst there is no legal limit anymore, we will still have limits on the availability of large tables at any one time. We always advise booking a table inside to ensure that we can accommodate you.

TESTING: Our teams all take a minimum of two lateral flow tests a week to ensure they are Covid free.

BE KIND: Our teams have had to adapt to changing systems every couple of months, enforcing new rules and regulations whilst wearing masks for long periods of time. They are doing their best to deliver fantastic food, drink + service in busy restaurants on top of these pressures. Please be kind to them, a smile goes a long way.

If you have any questions, please call or e-mail us direct.
